COOKING BENEFITS

The Silex Kitchen Genius performs equally well with fresh or deep frozen foods:

- Bake:** breads, croissants, pizza, pies, cakes, souffles
- Roast:** beef, chicken, pork, lamb, vegetables
- Grill:** steak, fish, sausages, hamburgers, chicken fillets, pork, lamb, veal, kebabs, satays
- Eggs:** omelettes, pancakes, crepes
- Fry:** chips/french fries, crumbed food, seafood
- Stir-fry:** meat, poultry, vegetables, fish
- Stew:** meat, vegetables, fruit
- Toasted:** sandwiches, all kinds of bread with various fillings
- Simmer:** pot roasts, vegetables, sauces

All types of food can be kept warm at desired temperatures

FEATURES

- The Silex Kitchen Genius is precision engineered and made in Germany
- More energy efficient due to the specially constructed heating plate and thermostatic control
- Thermostatic control from 0-300°C
- Rapid heat-up time from 0° to cooking temperature – approximately 5 minutes
- Preserves nutrition – valuable nutrients are locked inside and food retains its natural delicious flavour
- Upper grill plate hinges permit vertical and lateral movement
- Maintenance-free
- Comes with a 2 year warranty
- Easy cleaning – never wash, just wipe plates clean
